28 July 2017
Dear Shareholder,

2017 Annual General Meeting

The Notice of Meeting on pages 5 to 6 sets out the business to be transacted at the Annual General Meeting of Oxford Instruments plc (the “Company”) which is to be held on Tuesday 12 September 2017 at 10.00am at our offices at Tubney Woods, Abingdon, Oxfordshire OX13 5QX. A proxy card for voting at the Annual General Meeting is enclosed or, if you prefer, you may lodge your proxy votes electronically. Details of how to do this can be found in Notes 2 and 3 on page 7 of this letter.

The Annual Report and Financial Statements for the year to 31 March 2017 are available on our website at www.oxford-instruments.com/investors. If you have elected to receive a copy of this Report by post, it is also enclosed.

Resolutions 1 to 14 will be proposed as ordinary Resolutions and include proposals to re-elect all the Directors of the Company in line with the UK Corporate Governance Code. More than 50% of the votes cast must support these Resolutions in order for them to be passed. Resolutions 15 to 18 will be proposed as special Resolutions and 75% or more of the votes cast must support them in order for these Resolutions to be passed.

The Resolutions to be proposed are explained in further detail below.

1. Resolution 1: To receive the 2017 Annual Report and Financial Statements
The Directors of the Company are required to lay the Annual Report and Financial Statements before the shareholders each year at the Annual General Meeting.

2. Resolution 2: To declare a final dividend
The Board has recommended that a final dividend of 9.3 pence per ordinary share be paid in respect of the Company’s performance in the financial year ended 31 March 2017. If approved at the Annual General Meeting, this would be paid on 19 October 2017 to shareholders on the register of members of the Company at the close of business on 22 September 2017.

3. Resolutions 3 to 9: Election and re-election of Directors
The Directors are fully committed to supporting the principles of good governance outlined in the 2014 UK Corporate Governance Code (the “Governance Code”) published by the Financial Reporting Council. The Governance Code recommends that all Directors of FTSE 350 companies should be subject to annual election by shareholders and, accordingly, the following Directors of the Company are standing for election or re-election at this year’s Annual General Meeting. The biographical details of the Directors standing for election or re-election are set out on pages 42 and 43 of the Report and Financial Statements for the year ended 31 March 2017.

The Board has confirmed, following a performance review, that each Director standing for re-election continues to perform effectively and demonstrates commitment to his or her role and recommends the re-appointment of each Director.

4. Resolution 10: To appoint the Auditor
The Company is required to appoint an auditor at each general meeting at which accounts are laid before the Company, to hold office until the conclusion of the next such meeting.

The Audit & Risk Committee has reviewed the effectiveness, independence and objectivity of the external auditor, KPMG LLP, on behalf of the Board, who now, following the recommendation of the Audit & Risk Committee, proposes its reappointment as Auditor of the Company.

5. Resolution 11: To authorise the Board to agree the Auditor’s remuneration
This Resolution authorises the Directors, in accordance with standard practice, to negotiate and agree the remuneration of the Auditor. In practice, the Audit & Risk Committee will consider and approve the audit fees on behalf of the Board.

6. Resolutions 12 and 13: Approval of Directors’ Remuneration Report and Directors’ Remuneration Policy
The Directors’ remuneration regulations require the Directors’ Remuneration Report to be split into the Annual Statement by the Chairman of the Remuneration Committee, the Directors’ Remuneration Policy and the Annual Report on Remuneration. The Directors’ Remuneration Policy is subject to a binding vote whereas the vote covering both the Annual Statement by the Chairman of the Remuneration Committee and the Annual Report on Remuneration is advisory only.

Resolution 12 is to approve the Directors’ Remuneration Policy contained in the Directors’ Remuneration Report. You can find the Policy on pages 63 to 68 of the Report and Financial Statements for the year ended 31 March 2017. This vote is a binding vote and, subject to limited exceptions, no remuneration payment or loss of office payment may be made to a prospective, current or former Director unless consistent with the approved Directors’ Remuneration Policy (or otherwise specifically approved by shareholders). If approved by shareholders, the Directors’ Remuneration Policy will take effect immediately after the end of the Annual General Meeting and will normally apply for three years or until replaced by a new or amended Policy.

Resolution 13 is to approve the Annual Statement by the Chairman of the Remuneration Committee and the Annual Report on Directors’ Remuneration as set out on pages 60 to 62 and 68 to 75 respectively of the Report and Financial Statements for the year ended 31 March 2017. The vote is advisory and the Directors’ entitlement to remuneration is not conditional on Resolution 13 being passed. This Resolution is put annually as required by the Companies Act 2006.

7. Resolution 14: Authority to allot
Your Directors may allot shares and grant rights to subscribe for shares, or convert any security into shares, only if authorised to do so by shareholders. The authority granted at the last Annual General Meeting is due to expire at this year’s Annual General Meeting. Accordingly, Resolution 14 will be proposed as an ordinary Resolution to grant new authorities to allot shares and grant rights to subscribe for, or convert any security into, shares. If given, these authorities will expire at the Annual General Meeting in 2018 or on 30 September 2018, whichever is the earlier.

Paragraph (a) of Resolution 14 will allow the Directors to allot ordinary shares up to a maximum nominal amount of £955,479, representing approximately one-third (33.33%) of the Company's existing issued share capital calculated as at 10 July 2017, being the latest practicable date prior to the publication of this notice. In accordance with the latest institutional guidelines issued by the Investment Association, paragraph (b) of Resolution 14 will allow the Directors to allot ordinary shares in connection with a fully pre-emptive rights issue up to a maximum nominal amount of £1,910,958 (as reduced by allotments under paragraph (a) of Resolution 14). This amount represents (before any reduction) approximately two-thirds (66.67%) of the Company's existing issued share capital calculated as at 10 July 2017.

The Directors have no present intention of exercising this authority. However, if they do exercise the authority, the Directors intend to follow best practice as regards its use as recommended by the Investment Association.
Shareholder Letter

8. Resolution 15: Disapplication of pre-emption rights
Your Directors also require a power from shareholders to allot equity securities or sell treasury shares for cash otherwise than to existing shareholders pro rata to their holdings. The power granted at the last Annual General Meeting is due to expire at this year's Annual General Meeting. Accordingly, Resolution 15 will be proposed as a special Resolution to grant such a power. Apart from offers or invitations in proportion to the respective number of shares held, the power will be limited to the allotment of equity securities and sales of treasury shares for cash up to an aggregate nominal value of £143,321 (being approximately 5% of the Company's issued ordinary share capital at 10 July 2017, the latest practicable date prior to the publication of this notice). If given, this power will expire on 30 September 2018 or at the conclusion of the Annual General Meeting in 2018, whichever is the earlier. The figure of 5% reflects the Pre-Emption Group 2015 Statement of Principles for the disapplication of pre-emption rights (the "Statement of Principles"). Your Directors will have due regard to the Statement of Principles in relation to any exercise of this power, in particular they do not intend to allot shares for cash on a non-pre-emptive basis pursuant to this power in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company in any rolling three-year period, without prior consultation with shareholders.

9. Resolution 16: Additional disapplication of pre-emption rights
Your Directors are seeking a further power from shareholders to allot equity securities or sell treasury shares for cash otherwise than to existing shareholders pro rata to their holdings, to reflect the Statement of Principles. The power granted at the last Annual General Meeting is due to expire at this year's Annual General Meeting. Accordingly, Resolution 16 will be proposed as a special Resolution to grant such a power. The power will be limited to the allotment of equity securities and sales of treasury shares for cash up to an aggregate nominal value of £143,321 (being approximately 5% of the Company's issued ordinary share capital at 10 July 2017, the latest practicable date prior to publication of this notice). This is in addition to the 5% referred to in Resolution 15. If given, this power will expire on 30 September 2018 or at the conclusion of the Annual General Meeting in 2018, whichever is the earlier. Your Directors will have due regard to the Statement of Principles in relation to any exercise of this power and in particular they confirm that they intend to use this power only in connection with a transaction which they have determined to be an acquisition or other capital investment (of a kind contemplated by the Statement of Principles most recently published prior to the date of this notice) which is announced contemporaneously with the announcement of the issue, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue.

10. Resolution 17: Authority to purchase own shares
Resolution 17 will be proposed as a special Resolution and will give the Company authority to purchase its own shares in the market up to a limit of 10% of its issued ordinary share capital. The maximum and minimum prices are stated in the Resolution. Your Directors believe that it is advantageous for the Company to have this flexibility to make market purchases of its own shares. Your Directors will exercise this authority only if they are satisfied that a purchase would result in an increase in expected earnings per share and would be in the interests of shareholders generally. In the event that shares are purchased, they would either be cancelled (and the number of shares in issue would be reduced accordingly) or, in accordance with the Companies Act 2006, be retained as treasury shares. The Company may consider holding repurchased shares pursuant to the authority conferred by this Resolution as treasury shares. This would give the Company the ability to transfer treasury shares quickly and cost effectively and would provide the Company with additional flexibility in the management of its capital base.

11. Resolution 18: Notice of general meetings
Changes made to the Companies Act 2006 by the Companies (Shareholders' Rights) Regulations 2009 increase the notice period required for general meetings of the Company to at least 21 clear days unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days. Annual General Meetings will continue to be held on at least 21 clear days' notice. Until the Companies (Shareholders' Rights) Regulations 2009 came into force on 3 August 2009, the Company was able to call general meetings other than an annual general meeting on at least 14 clear days’ notice without obtaining such shareholder approval. In order to preserve this ability, Resolution 18 will be proposed as a special Resolution to obtain the necessary shareholder approval. The approval will be effective until the Company's next Annual General Meeting, when it is intended that a similar Resolution will be proposed. The flexibility offered by this Resolution will be used where, taking into account the circumstances, the Directors consider this appropriate in relation to the business to be considered at the meeting. Please note that the changes to the Companies Act 2006 mean that, in order to be able to call a general meeting on less than 21 clear days' notice, the Company will make a means of electronic voting available to all shareholders for that meeting.

Recommendation
Your Directors believe that all the proposed Resolutions are in the best interests of the Company and its shareholders as a whole. Accordingly, your Directors unanimously recommend that you vote in favour of them as they intend to do in respect of their own beneficial holdings.

Yours faithfully

Alan Thomson
Chairman

8. Under Section 527 of the Companies Act 2006 (the “Act”), members meeting the threshold requirements set out in that Section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company’s accounts (including the auditor’s report and the conduct of the audit) that are to be laid before the Annual General Meeting; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which report and financial statements were laid in accordance with Section 437 of the Act, (in each case) that the members propose to raise at the Annual General Meeting. The Company may not require the members requesting any such website publication to pay its expenses in complying with Sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under Section 527 of the Act, it must forward the statement to the Company’s auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the meeting includes any statement that the Company has been required under Section 527 of the Act to publish on a website.

9. As at 10 July 2017 (being the last practicable date prior to the publication of this notice) the Company’s issued share capital consists of 57,328,743 ordinary shares, carrying one vote each. Therefore, the total voting rights in the Company as at that date are 57,328,743.

10. You may not use any electronic address (within the meaning of Section 333(4) of the Companies Act 2006) provided in this Notice of Meeting (or in any related documents and proxy form) to communicate with the Company for any purposes other than those expressly stated.

11. Under section 338 and section 338A of the Companies Act 2006, members meeting the threshold requirements in those sections have the right to require the Company (i) to give, to members of the Company entitled to receive notice of the Annual General Meeting, notice of a Resolution which may properly be moved and is intended to be moved at the meeting and/or (ii) to include in the business to be dealt with at the meeting any matter (other than a proposed Resolution) which may be properly included in the business. A Resolution may properly be moved or a matter may properly be included in the business unless (a) (in the case of a Resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company’s constitution or otherwise), (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the Resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the Company not later than the date 6 clear weeks before the meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.
